

What's on the agenda? InvestHorizon Accelerator Upcoming Events and webinars until June

InvestHorizon, which aims to support 500 European deep-tech entrepreneurs in raising EUR 500 million over a period of two and a half years, can help European startups in this process. In addition to facilitating series A funding for selected companies through accelerator events, the program features webinars by EBN to improve your venture's investment readiness. Check below the program for the:

1- Webinars: Free services open to all!

The webinars will cover a wide range of topics for the improvement of the Investment Readiness Level and provide specific advices. Our last webinar was dedicated to Essential Tips on Managing Cash Flow as a Startup. You can watch the replay [here](#).

InvestHorizon's next webinar will take place on the March 26 at 4p.m. and will cover the following subject: From rewards to equity: how to select the best crowdfunding model for your project? It is organised in collaboration with The European Crowdfunding Network AISBL (ECN). You can register [here](#).

The webinar will highlight different crowdfunding models and explain which crowdfunding model is most suitable for certain projects or organizations. Further, the webinar will give practical advice about which aspects have to be considered to run a successful crowdfunding campaign and how crowdfunding can be used to validate a potential market.

Following webinars:

- Getting investment ready – 23rd April
- How to be ready for a due diligence – 28th May

2- The upcoming InvestHorizon Accelerator events are:

What to expect from InvestHorizon?

InvestHorizon champions 500 selected high-tech entrepreneurs to do much better and to raise an ambitious Series A investment round together with their supporting investors through individual programme customised to the investment-readiness needs and challenges of each company. The companies are selected through repeating calls for application from SMEs every 6 month till the middle of 2021.

About InvestHorizon

InvestHorizon is a programme financed by the European Commission, in association with Eureka, to facilitate Series A funding for selected deep tech companies boosting their investment readiness and investor relations. The programme is run by a consortium coordinated by Tech Tour with 6 other partners: BPI France, Meta Group, EurA, BWCON, EBN, and IESE Business School.
