

[Press Release] –InvestHorizon looking for deeptech entrepreneurs

24 July 2020. Less than a week for the next cut-off day for the fifth cohort of deep tech entrepreneurs looking to enter the InvestHorizon Accelerator Programme. More than 200 deep tech companies have enjoyed or are in the process of benefiting the services that InvestHorizon, with the financial support, is offering them.

Being part of InvestHorizon Acceleration Programme means to have the opportunity for 4 to 6 months of free coaching and mentoring, to meet peer entrepreneurs, coaches and investors that would exchange experience and contacts with you, and to access free events.

[Events] The accepted companies will have access to a variety of events within the next 6 months. **Pitching Forums** - to present their ideas in front of investors and **Academies** where they can fine-tune their pitches with the help of experienced coaches. **Bootcamps** that will provide support and expert input from fellow CEOs and investment specialised coaches, to develop and refine their investment readiness.

Apply today, and benefit from the free services that will support your journey to raise series A funds.

What to expect from InvestHorizon?

InvestHorizon champions 500 selected high-tech entrepreneurs to do much better and to raise an ambitious Series A investment round together with their supporting investors through an individual programme customized to the investment-readiness needs and challenges of each company. The companies are selected through repeating calls for applications from SMEs every 6 months till the middle of 2021.

About InvestHorizon

InvestHorizon is a programme financed by the European Commission, in association with Eureka, to facilitate Series A funding for selected deep tech companies boosting their investment readiness and investor relations. The programme is run by a consortium coordinated by Tech Tour with 6 other partners: BPI France, Meta Group, EurA, BWCON, EBN, and IESE Business School.
