What to expect from InvestHorizon?

InvestHorizon champions 500 selected high-tech entrepreneurs to do much better and to raise an ambitious Series A investment round together with their supporting investors through an individual programme customized to the investment-readiness needs and challenges of each company. The

companies are selected through repeating calls for applications from SMEs every 6 months till the middle of 2021.

About InvestHorizon

InvestHorizon is a programme financed by the European Commission, in association with Eureka, to facilitate Series A funding for selected deep tech companies boosting their investment readiness and investor relations. The programme is run by a consortium coordinated by Tech Tour with 6 other partners: BPI France, Meta Group, EurA, BWCON, EBN, and IESE Business School.

More information on upcoming activities and how to apply for the next call can be found here:
