What to expect from InvestHorizon?

InvestHorizon champions 500 selected high-tech entrepreneurs to do much better and to raise an ambitious Series A investment round together with their supporting investors through individual programme customised to the investment-readiness needs and challenges of each company. The companies are selected through repeating calls for application from SMEs every 6 month till the middle of 2021.

About InvestHorizon

InvestHorizon is a programme financed by the European Commission, in association with Eureka, to facilitate Series A funding for selected deep tech companies boosting their investment readiness and investor relations. The programme is run by a consortium coordinated by Tech Tour with 6 other partners: BPI France, Meta Group, EurA, BWCON, EBN, and IESE Business School.
