

[PRESS RELEASE] - More than 130 applications in three months.

InvestHorizon closed another round of applications the last November 8. More than 130 companies applied to the accelerator program and are waiting for evaluation by the end of the month.

For a period of four to six-months successful applicants will have access to several services including thematic Bootcamps, pitching academies, and ePitching events. In October 2020, InvestHorizon successfully organized two online Pitching Academies, one full online Bootcamp, and three ePitching sessions - with a focus on Covid-19, cleantech, agritech, and healthtech.

“InvestHorizon is a big family of founders, expert mentors, investors, and awesome facilitators”.
Venture Pole on Twitter.

“Thanks to InvestHorizon, we feel that we are prepared to raise money and go for the next step in our ambitious strategy.” María López Valdés, CEO at BitBrain.

“Invest Horizon will let us start the first wave of investments we need to do to rapidly scale up our Order Intake from €0.5 million in 2020 to €5 million in 2022.” Romain Cazavan, CEO at Medexprim.

All those interested in the InvestHorizon accelerator can submit their application for the next round until January 31, 2021. Form and details are available on the project webpage: <https://investhorizon.eu/apply-now>.

Moreover, we organize biweekly Q&A sessions via Zoom supporting the application process. Next:

- November 26th – 4 pm CET
- December 10th – 4 pm CET

All the details are available on our webpage. [Click](#) for details or visit our [FAQ section](#).

About InvestHorizon

InvestHorizon is a program financed by the European Commission, in association with Eureka, to facilitate Series A funding for selected deep tech companies boosting their investment readiness and investor relations. The program is run by a consortium coordinated by Tech Tour with six other partners: BPI France, Meta Group, EurA, BWCON, EBN, and IESE Business School.
